TRUSTED VOICE IN EDUCATION & LEADERSHIP DEVELOPMENT

Mbeke works on the performance, mindset, culture and mental wellbeing of leaders of international organisations and educational institutions so they can achieve greater success. An ICF and ILM qualified coach with 20+ years experience working with schools and organisations across different geographical regions - West Africa, East Africa, Central Africa, the Caribbean and Middle East - Mbeke has a deep appreciation for cultural diversity and helps organisations harness it for growth and transformation. She has worked with reputable organisations internationally including the UN in Ghana and Jamaica, Hillcroft Women's Residential College in England, Channel 4 Television in England, and the Ministry of Education in Malaysia.
